

GET TO KNOW OUR NEW TEAM

The Autism Society of Southeastern Wisconsin has navigated a number of changes in the last couple years. We continue to work toward our mission to create connections, empowering everyone in the Autism community with the resources needed to live fully.

Here are some of our key team members:

Rechelle Chaffee
Executive Director
rechelle@assew.org

“Let’s connect and make a better world for individuals on the spectrum.”

Rechelle has been with the Autism Society SE WI for eight years and serves as the Executive Director. With a degree in Business and family members on the spectrum, she has championed for Autism awareness, education and supports by providing programs and services that benefit the Autism community. She brings a passion for advocacy efforts to work every day.

Angie Schubert
MEd, OTR
Program Director
angie@assew.org

“Ask me about our diverse programs.”

Angie has been an occupational therapist for 28 years and has a master’s degree in education. She has over 20 years of experience working with children and young adults with Autism, 16 of those years as a school-based occupational therapist. Angie is excited to plan and provide quality, engaging programming for children, teens, adults, and families in the nine counties that we serve.

Stephanie Wagner
Office Manager
stephanie@assew.org

“Reach out to me any time you have a question!”

Stephanie is a graduate student at Southern Illinois University studying Behavior Analysis and Therapy. She has over seven years of experience working with the Autism population. She has worked as a vocational job coach, staff trainer and as a senior behavioral treatment therapist.

Adela Villanueva Pérez
Information/Referral and
Program Coordinator
(Spanish Help Line)
adela@assew.org

“Let me connect you to resources in the community. ¡Sí, hablo español!”

Adela is a mother of a child with Autism. She also has spent time in the medical field serving others. She has a passion to help others to overcome language barriers and get the help and support they need. Adela has a real interest in the community and being a source of assistance to others.

Please call or email with questions and direct others to these very capable team members.
